

The Clark Howard Show

"SAVE MORE, SPEND LESS AND AVOID GETTING RIPPED OFF!"

*Clark Helps:
Everyday on
WGNS, Clark
helps listeners*

learn how they can be better stewards of their hard earned money. Clark listens to callers and offers his advice on a variety of financial and insurance situations.

*Don't Get
Ripped Off:
Clark is a
consumer*

advocate and updates the WGNS audience on fraudulent schemes throughout the country. Clark has a variety of guests on his show that work to let the public know about negative investment ideas that steal your money instead of earning you interest on your dollars. Clark is known for his saying, "Save More, Spend Less and Avoid Getting Ripped Off!"

The Clark Howard Show on WGNS AM/FM Radio

Clark says, "Save More, Spend Less and Avoid Getting Ripped Off!" Clark helps your customers save money so they can spend more in your business!

As Americans face turbulent economic times, Money Expert Clark Howard gives you a roadmap to financial stability each weekday on WGNS FM 100.5, FM 101.9, AM 1450 and streaming online at WGNSradio.com.

On the show, Clark takes phone calls from the audience and helps WGNS listeners in his Money Coach series. Clark also provides consumer advice and travel tips on keeping your wallet and your cash safe.

Clark helps your customer save money so that they can spend more with your business.

Clark Howard helps you protect yourself against costly financial mistakes and potential scams. In addition to listener calls from his syndicated radio show on WGNS, Clark helps our listeners in his "Money Coach" series and answers listeners e-mail. During these tough economic times, Clark wants to help your customers save more, spend less and avoid getting ripped off.

The show airs every Monday - Friday between 11AM-1PM. Your commercial is featured in the program daily. All commercials can be changed weekly or monthly at no additional charge. All productions costs are of no charge to monthly advertisers.
