

## WGNS Coverage Map

# WGNS RADIO

Murfreesboro, TN

Streaming Worldwide

WGNS Focuses on Rutherford County and works hard to serve all 618-square miles. WGNS broadcast 24-hours a day on FM 100.5, FM 101.9 and AM 1450. WGNS also broadcast on the internet at [WGNSradio.com](http://WGNSradio.com) and via our streaming audio app on all smart phones.

The WGNS signal reaches all of Rutherford County on all three frequencies and also goes into Davidson, Wilson, Cannon and Bedford Counties. Keep in mind though, our target audience is Rutherford County. WGNS works hard to provide listeners with local news daily.
