

WGNS listeners are your customers. A past survey shows that 75% of our listeners are between the age of 31 and 60. In the same survey, we found that over 50% of our listeners have an annual income of \$50,000 or more. That is average income of listener, not household income. In other words, our listeners have the needed income to do business with you.

WGNS has been growing a faithful audience since 1947. Over those years, we have learned that dedicated fans of WGNS are also dedicated to the businesses that advertise with us. Allow that dedication to work for you. Join the WGNS family today.

We broadcast on AM/FM and through our streaming apps available for free on iTunes and Android devices.

WGNS Listeners are your customer. We guarantee it. Advertise with WGNS.
