

WGNS Texting

WGNS now has a new way to interact with your future customers through texting and on air radio commercials.

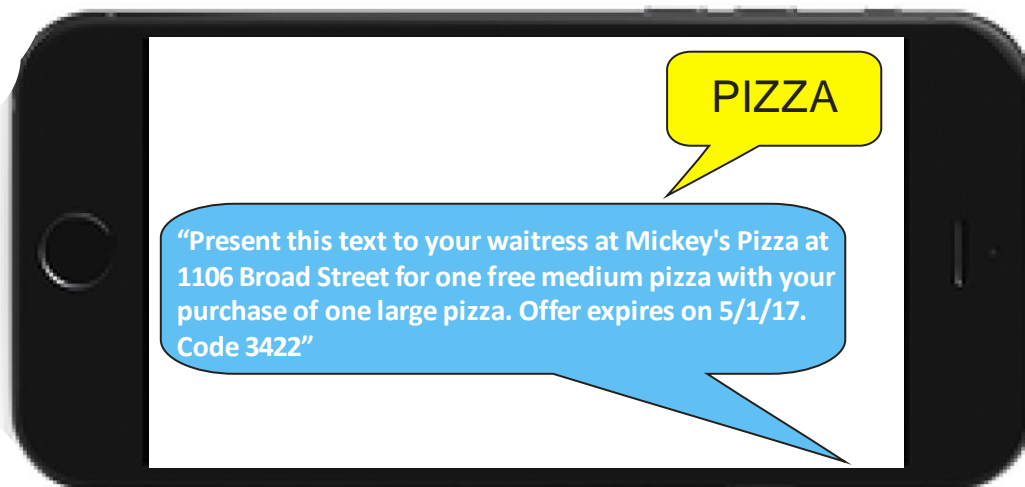

The WGNS Text Package:

WGNS will announce on air, *"Text the word PIZZA to WGNS right now at 615-893-1450 for a free medium pizza with the purchase of one large pizza from Mickey's Pizza at 1106 Broad Street."*

The listener will then text the word PIZZA to WGNS and we will send them a return text:

"Present this text to your waitress at Mickey's Pizza at 1106 Broad Street for one free medium pizza with your purchase of one large pizza. Offer expires on 5/1/17. Code 3422"

It is unlimited as to how many people can text WGNS and receive the coupon that you decide to offer.

In addition to the text service, your business will receive commercials throughout the day and night to promote your coupon.

15-Second Radio Commercial on FM 100.5, FM 101.9, AM 1450 and Streaming:

"Text the word PIZZA to WGNS right now at 615-893-1450 for a free medium pizza with the purchase of one large pizza from Mickey's Pizza at 1106 Broad Street. Again, that's 615-893-1450 for a free medium pizza with the purchase of one large pizza."
